- III. Using Cannabis in Public
- IV. Setting the Legal Age
- V. Protecting Roads and Workplaces
- VI. Economic Implications and Opportunities

07/06/2017

Provincial Engagement: Alberta's Cannabis Goals

1. Limiting the illegal market for cannabis
2. Keeping cannabis out of the hands of children and youth
3. Protecting public health
4. Promoting safety on roads, in workplaces, and in public spaces

Administration Recommendation

City of Calgary response previously established through IGA2017-0427.

Support of Federal and Provincial Goals/Objectives

- “ensure clear delineation of roles and expectations between federal, provincial and municipal governments”

07/06/2017

Calgary

Provincial Engagement: Purchasing Cannabis

Public or Private

Administration Recommendation

Support a privatized framework for legal retail cannabis sales similar to the existing retail alcohol store model, contingent upon the sharing of tax revenues to compensate for the increased costs to The City.

07/05/2017

Calgary

Provincial Engagement: Using Cannabis in Public

Cannabis Lounges

Administration Recommendation

Advocate that the province provide their Cannabis Framework in a timely fashion to facilitate The City's engagement process.

07/08/2017

Calgary

Provincial Engagement: Minimum Age

18-25

Administration Recommendation

Support maintaining the current proposed federal minimum age of 18 in the province of Alberta in alignment with the legal age for alcohol and tobacco consumption.

07/06/2017

Calgary

Provincial Engagement: Protecting Roads and Workplaces

Provincial engagement is seeking input on protecting roads and workplaces

Administration Recommendation

Advocate for provincial regulations and funding models that clarify and support the Calgary Police Service's role in enforcing drug-impaired driving.
