3. DEFINITIONS

- 3.1 In this Council policy:
 - 3.1.1 "Access" means services align with the ability for individuals to participate. This often is achieved through the removal of barriers

impeding access, which may include: social, financial, language, cultural, geographic and physical barriers. The result is everyone is given the opportunity to participate in all aspects of society;

- 3.1.2 “Accessibility” means removing barriers to *access* specifically for people with disabilities (which may include but is not exclusive to physical, sensory and cognitive disabilities) to participate in City services;
- 3.1.3 “City Service” or “Service” means the delivery of outputs that meet the needs of residents and contribute to overall outcomes delivered by The City of Calgary. This includes enabling *services* (services that set the framework, policies and conditions by which internal City services operate; or provide the foundational support for the delivery of public services).
- 3.1.4 “Civic Participation” means Calgarians are involved in dialogue and/or actions to address important public issues;
- 3.1.5 “Culture” means the opportunities to express the unique identity of a community or social group. In the context of this policy, *culture* refers to the strategic priorities in the Cultural Plan for Calgary;
- 3.1.6 “Engagement” means the purposeful dialogue between The City and citizens and stakeholders to gather information to influence decision making;
- 3.1.7 “Equitable” or “Equity” means conditions are adjusted to meet people’s diverse needs, strengths and social realities. It requires recognition that different barriers (often systemic) exist for diverse individuals or groups.
