

## Scenario 7: Targeted program to assist businesses

Program to be designed, to include:

- Application program based on criteria specific to need of business
- Criteria to be determined
- Will be administratively efficient to administer
- Will be up to a maximum of \$70.9M available for 2019

Risks	Pros	Cons
Depends on how program is structured	Specifically targets relief where Council chooses	Will need time to establish and approve criteria and process
