Concerning the rezoning of 45 snowdon cres SW into a secondary suit I oppose. We at the adjacent property do not want secondary suits on our street. The adjacent neighbours of 21 snowdon cres also opposed the rezoning into a secondary suit. According to your map 9002018 shows this property did get rezoned to R-C15. How can this happen? My neighbours at 43 and 49 have also opposed R-C15. Please be advised that we and supportive neighbours stand collectively in retaining R-C1 as our way of life and oppose rentals in our neighbourhood

Respectively
