

Electronic Voting in eSCRIBE

Casting the Vote

When a vote is opened by the Clerk, all device screens of meeting participants (in the app or via the web) will be presented with a vote, regardless of what item the participant is viewing. The vote will pop-up on the screen, and each participant will select and submit their vote:

The screenshot shows a mobile app interface for casting a vote. At the top, a blue header bar contains the word "Vote". Below this, the item being voted on is displayed: "9.2.1.1. Development in Proximity to the Railway Corridor, RMC2017-1214". There is a small downward arrow icon below the item name. Below the item name are two large, light gray buttons labeled "YES" and "NO". At the bottom of the interface is a wide, light gray button labeled "SUBMIT VOTE".

Public Display

Once all votes have been entered, the Clerk will close the vote, and display the results it on the screen. The results will also display on all participant devices. The vote will not be final until declared by the Chair.

The screenshot shows the results of the vote. At the top, a blue header bar contains the word "Vote". Below this, a green banner displays "MOTION CARRIED - (3 - 1)". Below the banner, the results are listed: "Yes 3" and "No 1". Under "Yes 3", the names of the participants who voted "Yes" are listed: "Admin11 eSCRIBE", "Heather Varey", and "Participant1 eSCRIBE". Under "No 1", the name of the participant who voted "No" is listed: "Participant2 eSCRIBE". At the bottom, the "Absent" section is listed with "None".

Minutes

The vote result will display in the minutes as follows:
