

**CALGARY TREE DISASTER,  
2016 RECOVERY AND RESTORATION WORKPLAN  
(As of 2016 February 1)**

**Tree planting and pruning**

- In 2016, Calgary Parks will plant approximately 33 per cent more trees than in 2013 (a typical, non-storm planting year).
- In 2016, the ReTree Community program will take place in 25 communities.

	<b>Trees Assessed and/or Pruned</b>	<b>Trees and Street / Parks Trees Planted/NeighbourWoods</b>
<b>2013</b>	45,000	6,744 trees
<b>2014</b>	59,000	5,795 trees
	- 45,000 regular operations	
	- 14,000 priority 1 trees from storm damage	
<b>2015</b>	128,385	7,488 trees
	- 59,216 trees pruned	- 5,245 operational trees planted
	- 69,169 trees assessed	- 1,524 trees replaced from storm - 719 NeighbourWoods trees
<b>2016 (planned)</b>	80,000	9,000 trees
		- 5,000 – regular operational planting
		- 1,900 – Storm replacement planting
		- 2,100 – ReTree Community program planting
