Subject: [EXT] Re: LOC2019-0014 - Circulation Package

Hello Jessica,

The WHCA Planning Committee has reviewed LOC2019-0014 and offers the following comments:

- The committee supports the re-designation and looks forward to seeing an appropriate façade and active interface with Kensington Road
- Increased density in the area is supported as is improving the south streetscape of Kensington Road |

Thank you,

Karen Dahl

Planning Committee Coordinator
