

Calgary Planning Commission Member Comments

For CPC2019-0317
heard at Calgary Planning Commission
Meeting 2018 April 18

Member	Reasons for Decision or Comments
Commissioner Juan	<p>Reasons for Approval</p> <ul style="list-style-type: none">This application has my super support. It's interesting to see cultural planning weaved into land use proposals. Going from a potential built form of condos to at-grade/fee simple, helps to accommodate interrogational living. I believe it can also facilitate innovation in at-grade housing types, while still performing the density targets of this area.
