Development Permit (DP2019-1505) Summary

A development permit application (DP2019-1505) was submitted by Stantec Consulting Ltd. on 2019 March 29. The development permit application is for a new 11 storey office building with commercial uses at grade and underground parkade. The following images from the development permit submission provide an overview of the proposal and are included for information purposes only.

The development permit will determine the ultimate building design, number of units and site layout details such as parking, landscaping and site access. No decision will be made on the development permit application until Council has made a decision on this land use redesignation.
