| BODY               | Calgary Transit Public Safety Citizen Oversight Committee  |  |
|--------------------|--|--|
| TERMS OF REFERENCE | The purpose of this committee is to perform an evaluation on all<br>use of force complaints, after the conclusion of the investigation.<br>Essentially, the committee operates as an objective body; to<br>ensure that the investigation was conducted in a proper and<br>professional fashion and that it satisfies all requirements of the<br>Police Act, the Special Constable regulations and the Protective<br>Services policy and mandate. The following points form the basis<br>for this committee   |  |
| COMPOSITION        | <ul> <li>The Committee will consist of three volunteer members of the public.</li> <li>A Use of Force instructor will sit in an advisory role to provide any necessary technical knowledge on use of force issues.</li> <li>Committee members are screened on the basis of security checks and previous qualifications. Previous knowledge of law enforcement is not considered relevant in the selection process.</li> <li>Once selected, committee members are required to swear an oath, pursuant to Schedule Two of the Police Act and serve on the committee for up to a three-year period.</li> <li>Upon conclusion of their three-year term, a committee member can apply to extend their appointment beyond their current term.</li> <li>Committee members will receive training in use of force issues, such as the use of force continuum and its practical application.</li> </ul>  |  |
|                    | Upon receipt of the investigative results regarding the complaint, the committee will evaluate the process to determine:   |  |
|                    | <ol> <li>If further investigation is required</li> <li>Policy was adhered to</li> </ol>  |  |
|                    | <ol> <li>Appropriate force was used</li> </ol>   |  |
|                    | 4. The force was justified   |  |
|                    | 5. Recommend follow-up, such as:   |  |
|                    | $\mathbf{o}.  \mathbf{x} \in \mathbf{o} \in \mathbf{n}  \mathbf{o} = \mathbf{o} =$ |  |
