**INVESTIGATION: ALTERNATIVES AND ANALYSIS**

This report responds to The City Audit Committee's reporting requirements of the CMLC Board.

In 2005 the City's Audit Committee initiated a review of The City's governance structures pertaining to its main subsidiary organizations, and autonomous civic entities that represent significant assets to The City of Calgary and/or have significant operating budgets.

This annual report from the CMLC Board is one of the changes that were implemented as part of the governance review. As such, this eleventh annual report is intended to be an ongoing dialogue between The City of Calgary and The CMLC Board. It is anticipated the annual report from the CMLC Board will continue to evolve over time to meet The City Audit Committee's information requirements in discharging its governance responsibilities.
