Optional Amendments

- Setbacks
 - Increase projection to 2.5 metres
- Vehicle Loading & Storage
 - Delete 50/50 rule for new driveway access

Options for a Renewed Land Use Bylaw

1. Status Quo

- Piecemeal
- Process oriented

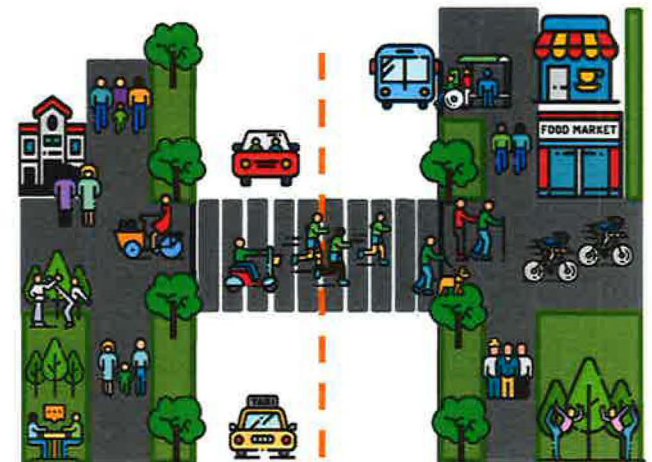

2. Clean Up

- Language
- Redundancies & simplification
- Added flexibility

3. Long Term Approach

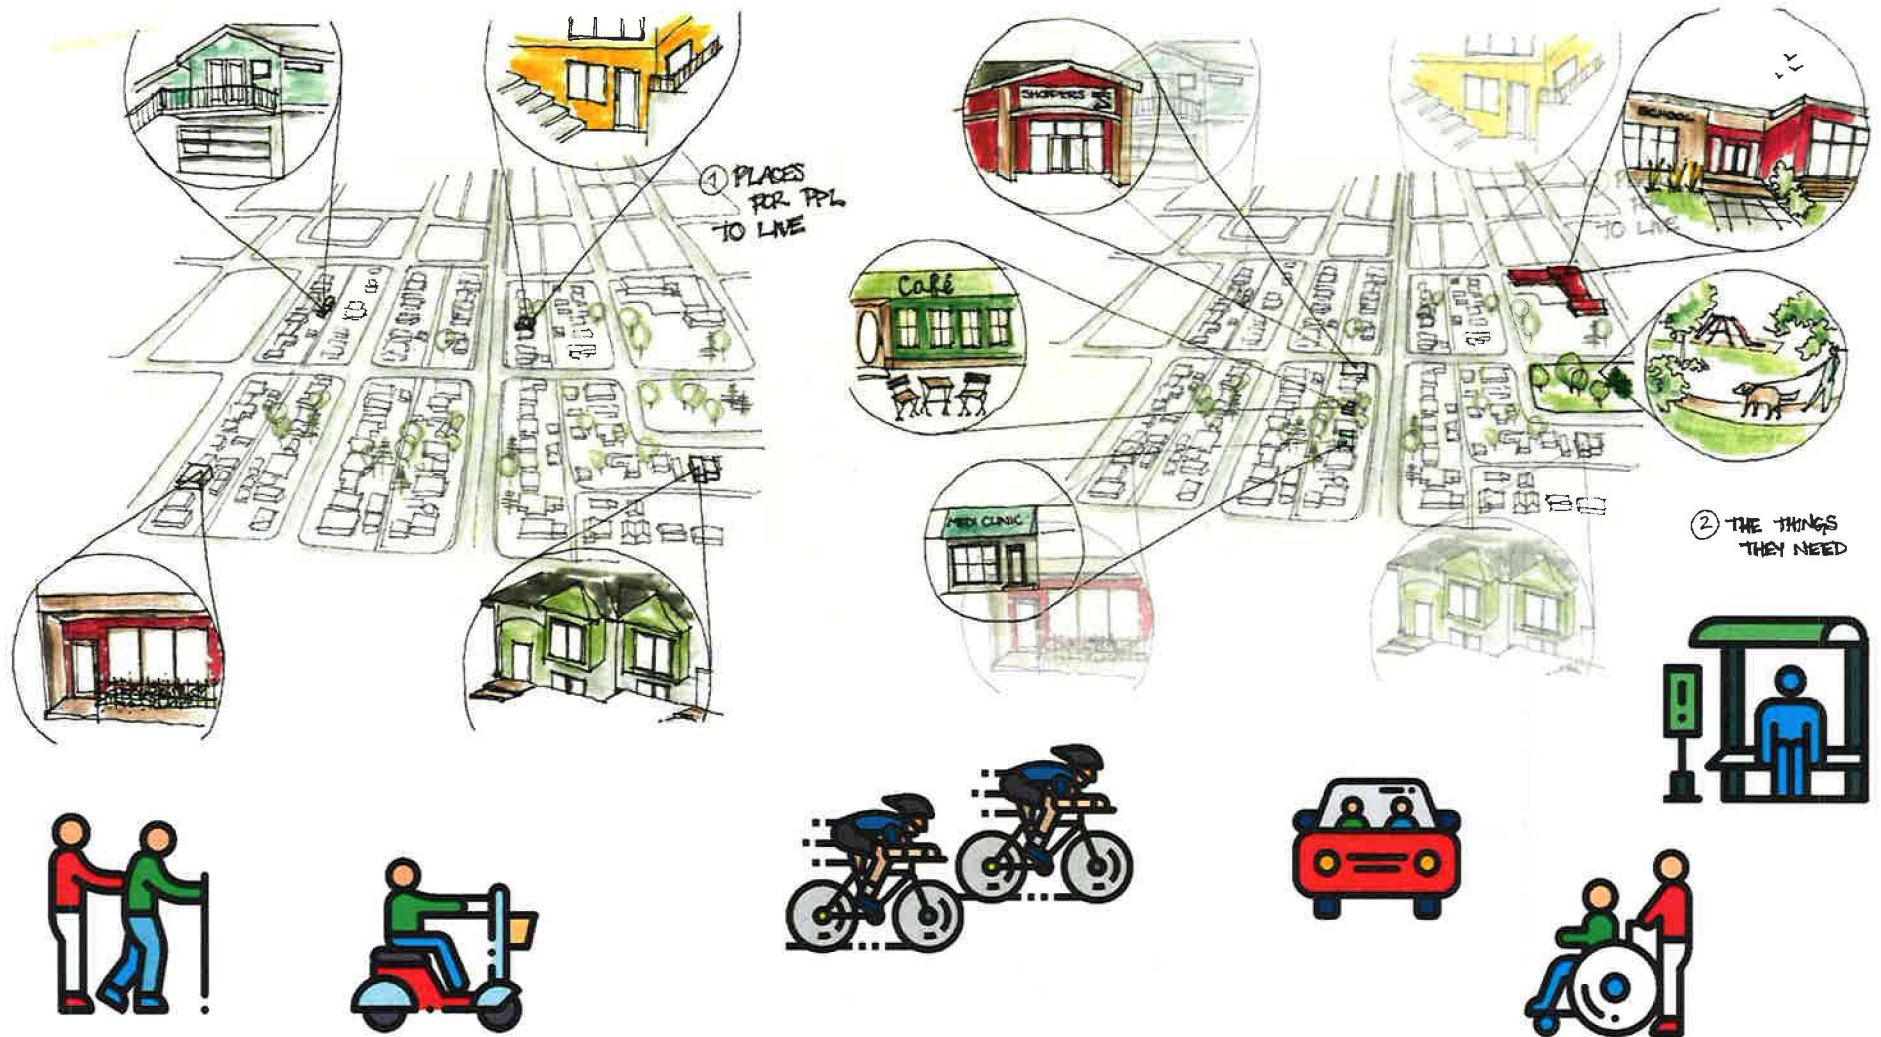

- Districts based on Guidebook
- New conversation
- Future Planning System

Case for Change: Long Term Approach

- Over 40 reports
- 62 individual districts
- Over 3000 direct control districts
- Implementation gaps
- Outcome driven
- Community trust
- Economic uncertainty
- Future populations

Case for Change: People Centered Design

Case for Change: Related Initiatives

Policy – Implementation Gap

“Encourages growth and change in low-density neighbourhoods through development and redevelopment that is similar in scale and built form and increases the mix of housing types such as accessory suites, semi-detached, townhouses, cottage housing, row or other ground-oriented housing.”

Recommendation

That the Standing Policy Committee on Planning and Urban Development:

Recommend that Council hold a Public Hearing for the proposed amending bylaw at the 2019 June 17 Combined Meeting of Council; and

- a. give three readings to the proposed Land Use Bylaw Amendment in Attachment 1; and
- b. direct Administration to return, through the Developed Areas Guidebook report, with an outline for what new developed area districts could look like and how the 12 issues will be addressed (option 3).
