Upon review of surrounding land uses, and to address neighbours concerns regarding rear setbacks, we are seeking to have all the lands redesignated as R-CG. Due to the size of the parcels and with no lane access the R-CG zoning provides the necessary designation to meet Land Use requirements for proposed Semi-detached and Row house development.

Furthermore, R-CG land use is required in order to complete the subdivision of 2035 35 Avenue SW (SB2018-0160) in order to reduce the Westerly side yard setback to 1.2m and provide the necessary additional land for future tri-plex/four-plex development at 2039 35 Avenue SW.
