- 36 days
- 545 participants
- 428 responses

Phase 3: Preferred Plan

- 15 days
- 326 participants
- Over 90% support

Prairie Winds Park - Preferred Concept Plan

Prairie Winds Park - Sketch Images

A new entry experience welcomes visitors with an expanded and upgraded play area, seating and connections that provide easy access to all areas of the park

Prairie Winds Park - Sketch Images

A rebuilt and modernized wading pool and lazy river compliment the spray park and appeal to a wider range of ages while providing ample space for families to picnic and relax on summer days

Prairie Winds Park - Sketch Images

The toboggan hill, open spaces and varied terrain are retained for year round use

Prairie Winds Park - Sketch Images

A new lookout and path to the top of the hill provide panoramic views of the park and the skyline in all directions

Prairie Winds Park - Sketch Images

A birds eye view of the new park centre area and main entry into the park

Administration Recommendations

That the Standing Policy Committee on Community and Protective Services recommends that Council:

1. Receives for information the *Prairie Winds Park Design Development Plan* report (Attachment 1); and
2. Approve the *Prairie Winds Park Preferred Concept Plan* (Attachment 2)
